Turn of Phrase ESL (TOP ESL) is the first-ever educational series that introduces English language learners to idioms, phrasal verbs, and collocations in the form of chooseable path novels. The series is designed for intermediate to advanced level, young adult and adult learners. The TOP ESL Catalog describes the series in detail and introduces the four titles slated for publication.

The focus of this carefully selected volume concerns the existence, frequency, and form of composite/complex predicates (the "take a look" construction) in earlier periods of the English language, an area of scholarship which has been virtually neglected. The various contributions seek to understand the collocational and idiomatic aspects of these structures, as well as of related structures such as complex prepositions (e.g., "on account of") and phrasal verbs (e.g., "look up"), in their earliest manifestations. Moreover, study of these constructions at the individual stages of English leads to diachronic questions concerning their development, raising issues pertaining to grammaticalization, lexicalization, and idiomaticization-processes which are not always clearly differentiated nor fully understood.

50 Powerful Vocabulary Terms for IELTS™, TOEFL®, and TOEIC® Success was written to quickly and easily give you a broader and richer vocabulary. Achieve mastery of these 50 vocabulary terms in the shortest time possible for a high exam score. Professor Winn, a certified English instructor and veteran English exam instructors guides you effortlessly to quickly build your word power for success. The 20 vocabulary terms and 10 collocations boost your writing so you can better produce clear, accurate, and convincing arguments. All 10 idioms, 10 phrasal verbs, 20 vocabulary terms, and 10 collocations are perfect to use in a variety of situations you encounter on the Speaking Sections of these exams. Stop hesitating and losing time on the exam because you don't know the right word to say in the right situation. Instead, use all 50 vocabulary terms, each with example

sentences, to upgrade your word power for greater success on exam day! Start studying [50 Powerful Vocabulary Terms for IELTS™, TOEFL®, and TOEIC® Success](#) today!

[Teaching English Online - Business English through Coaching and Conversation - Full Ebook - 195 pages](#) Are you an existing Online English Teacher with a desire to incorporate Business English into your teaching arsenal? Or, perhaps, you're planning to pursue Online Teaching as either a full-time profession or side-hustle. Whichever box you fall into, this Ebook could be for you! As an experienced Online English Teacher with a background in HR and over 20 years of work experience, I largely specialise in Business English, teaching via the popular language-learning platform, Italki, in addition to offering private lessons on my website. The vast majority of my students are B1-C2 level ADULT PROFESSIONALS based in Russia, and across Europe. Many work in particular fields such as IT, Banking and HR. Students such as these may be working for an international company, are relocating to an English-speaking country, or may simply want to focus on their interview technique. The issue is, however, is that much of the Business English material available to teachers has a tendency to focus on overly-formal language, outdated situations and generalised vocabulary which may not be relevant to individual students. Also, professionals may be able to describe the technical intricacies of their job role, but struggle when it comes to discussing behaviours. 2020 has also seen a change in Business English. Boardroom meetings have turned into Zoom calls, Job Interviews take place over Skype, and the use of informal language on modern communication platforms has become far more prominent. This Ebook is split into three simple parts - WHY, HOW, AND WHAT. The 'Why' section is aimed at teachers who may have little to no experience in teaching Business English. What types of student need to improve their Business English through coaching and conversation? For what reasons? In what situations do students need to improve their Business English? The 'How' section describes useful teaching techniques I have used, such as an adapted PPP lesson plan, methods of building writing capability, a behavioural interview focus, and much more! Classroom lessons and textbooks for advanced students are not necessarily useful. Advanced students want to have a conversation, build their confidence and learn new, relevant vocabulary. Keeping this in mind, the 'What' section consists of over 60 behavioural, skills-based, issues-based, and industry-specific conversational lesson plans. Each lesson plan contains useful prompts for the teacher, relevant phrasal verbs, idioms, and collocations for the student to use during a lesson, in addition to pre-work/technical prompts for both the student and teacher in the industry-specific topics. These lesson plans will last you forever!! You can also find examples of behavioural interview questions which are typically asked in modern times, particularly around failure and reflection, leadership skills and more, instead of the typical "What are your strengths and weaknesses" questions. Overall, Business English students need support with confidence. This can only be achieved through 1-2-1 coaching and conversation. If you are an existing, experienced teacher who would simply like to have some useful lesson plans to hand, you can purchase the lesson plans-only version from this site. Happy Teaching!

While home from college, enjoying the final days of your summer vacation, you get a phone call from your cousin, Nick. He has disturbing news: Your mother has mysteriously disappeared. You and your mother haven't talked to each other in years, but you

quickly travel to Washington, D.C. to stay with Nick and his girlfriend, Cat, and help in the investigation. You start with your mother's employer, Cleaning House, Inc., and meet Betty, your mother's coworker, who suggests that a former client may have something to do with her sudden disappearance. Eventually you learn that Cleaning House, Inc. is no ordinary agency, and that there is more to your mother than you thought. As your detective work gets you closer to the shocking truth, you find yourself entangled in a web of lies and coverups. Who is really trying to help you? Who is hiding something? Nothing is what it seems. Cleaning House is an offbeat detective-thriller about trust and reading between the lines. **RECOMMENDED FOR ADVANCED LEVEL LEARNER** STURN OF PHRASE ESL (TOP ESL) is an educational series that teaches English language idioms, phrasal verbs, and collocations in the form of chooseable path novels. The series is designed for intermediate to advanced young adult and adult students. TOP ESL books complement all types of curricula that promote engaged and self-directed learning. To learn more about this book and other titles in the series, visit [www.nightowlspress.com/turn-of-phrase-esl/](http://www.nightowlspress.com/turn-of-phrase-esl/)

Let 181 Best English Collocations, Idioms, and Phrasal Verbs be your faithful study guide whatever your level of English. Learn some new English idioms, slang, expressions and phrases See how people actually speak English in North America Improve your American English Speak English fluently and confidently Have some fun while learning English Pick up your copy of the book today. Advanced English Expressions, Idioms, Collocations, Slang, and Phrasal Verbs by Jackie Bolen will help you stay motivated while consistently improving your English skills.

Essential Idioms is organized by level for beginners, intermediate learners, and advanced learners, and includes a vast treasury of over 600 idioms, phrasal verbs, and collocations.

Long regarded as a peripheral issue, phraseology is now taking centre stage in a wide range of fields. This recent explosion of interest undoubtedly has a great deal to do with the development of corpus linguistics research, which has both demonstrated the

key role of phraseological expressions in language and provided researchers with automated methods of extraction and analysis. The aim of this volume is to take stock of current research in phraseology from a variety of perspectives: theoretical, descriptive, contrastive, cultural, lexicographic and computational. It contains overview chapters by leading experts in the field and a series of case studies focusing on a wide range of multiword units: collocations, similes, idioms, routine formulae and recurrent phrases. The volume is an invitation for experienced phraseologists to look at the field with different eyes and a useful introduction for the many researchers who are intrigued by phraseology but need help in finding their way in this rich but complex domain.

Your Study Collection for TOEIC® is a valuable combination of 4 books to help improve your skills to get a high TOEIC score. Business Phrasal Verbs (CorpusLAB Series) contains explanations and exercises related to the most common phrasal verbs used in Business English. The book also covers common phrases and collocations used in Business English. So, for example, the book covers not just a phrasal verb like "put in" but phrases such as "put in a bid." The book is informed by the analysis of American English used in business situations and the example sentences used in the book are based on real language.

**IELTS SPEAKING STRATEGIES 2022** Speaking Samples, Vocabulary, Collocations And Idioms Are you running out of time to get the score you need? details that make native speakers sound... native. It is my personal mission to make you sound more fluent by the end of this course. Inside the book, you will learn: IELTS Speaking Checklist IELTS Speaking Part 1 Samples IELTS Speaking Part 2 Samples Health Vocabulary For Paraphrasing Fast Speaking IELTS Speaking Topic Christmas Phrases Expressing Like And Dislike How To Open A Talk - Band 9.0 IELTS Speaking Vocabulary - Band 8.0+ Speaking Collocation With Take Top Idioms For Speaking Top Speaking Phrasal Verbs 100 Ways To Say "Very" IELTS Speaking Question Categories Topic Cards .... and much much more!

These books are designed to offer comprehensive coverage of grammar points, with clear examples and explanations as well as stimulating exercises, suitable for learners at intermediate to advanced level. Systematic practice of idioms, phrasal verbs, prepositions, collocations and word formation is provided through a variety of tasks. The books can also be used by students who are preparing for the Cambridge FCE and revised CPE examinations as well as other examinations at the same level.

This is a state-of-the-art Guide to the fascinating world of the lexicon and its description in various types of dictionaries. A team of experts brings together a solid Introduction to Lexicography and leads you through decision-making processes step-by-step to compile and design dictionaries for general and specific purposes. The domains of lexicography are outlined and its specific terminology is explained in the Glossary. Each chapter provides ample suggestions for further reading. Naturally, electronic dictionaries, corpus analysis, and database management are central themes throughout the book. The book also "introduces" questions about the many types of definition, meaning, sense relations, and stylistics. And that is not all: those afraid to embark on a dictionary adventure will find out all about the pitfalls in the chapters on Design. A Practical Guide to Lexicography introduces and seduces you to learn about the achievements, unexpected possibilities, and challenges of modern-day lexicography.

"Collins Work on your Phrasal Verbs presents the 400 most common phrasal verbs. Each phrasal verb is covered in depth with clear examples, definitions and exercises to help students become confident using them." \_Contracub.

Phrasal Verbs in American English provides useful information and guided exercises for ESL/EFL language learners. The contents of Phrasal Verbs come from written and spoken corpora of American English. The most frequent phrasal verbs are taught along with their associated words (collocates). This means that rather than focussing on a phrasal verb such as "get into," this book covers common phrases: "get into an argumen," "get into trouble," etc. Thus the book covers the phrasal verbs and phrases that the learner is likely to meet in everyday situations.

From "catching a cold" to "landing on your feet," idiomatic expressions add color and style to the English language. The latest edition of "Essential Idioms in English" remains the resource of choice for mastering more than 500 common

English idioms, phrasal verbs, and collocations. Organized by level for beginning, intermediate, and advanced learners, "Essential Idioms in English" thoroughly defines and illustrates each idiom, then reinforces its meaning and usage with multiple-choice, true-false, fill-in-the-blank, and matching exercises. New features include: Three new sections on collocations to illustrate the frequency of certain usages. An expanded Appendix of Equivalent Idioms that adds Portuguese to the French and Spanish translations of previous editions. New eight-page section on dictionary skills helps students build their knowledge of vocabulary and usage.

Your Study Collection for TOEFL iBT® is a bundle of 4 books to help improve your skills to get a high TOEFL score. The 4 books are: Book 1: Professor Winn's 15 Habits of Highly Successful TOEFL iBT® Candidates Book 2: 27 Keys to Better English Grammar Book 3: 303 Vocabulary Words You Need Book 4: Top 153 Business English Collocations, Idioms, and Phrasal Verbs Each text is written by a certified experienced TOEFL teacher who has helped candidates just like you to achieve their optimal score. This study examines the use of prefabricated language (conventional lexical collocations) in the production of native and non-native writers of English. It first develops a framework for the description of restricted collocations and then reviews experimental research into the psycholinguistic processing of prefabricated language. Computer-based corpora of native and advanced non-native academic writing are analysed to discover to what extent and how such collocations are used in formal written English. Pedagogical implications are then considered, and the final part of the study examines the selection and presentation of restricted collocations in general and phraseological dictionaries for learners. The conclusion suggests that advanced learners need specialist collocational dictionaries, and the results of this research help to establish principles for the design of such dictionaries. Learn thousands of English vocabulary words to help you get a band 7/8 on the IELTS speaking exam. Sound like a native speaker with these common expressions, phrases, idioms, collocations and slang that are used in the USA and around the world. Most importantly, improve your IELTS score by mastering new vocabulary words. That's where the IELTS Speaking Vocabulary Builder comes in. You'll see the words and expressions used in a dialogue, find out what it means and then get an opportunity to practice what you've learned in the 40 lessons. It's everything you need to improve your English vocabulary and score higher on the IELTS exam. Jackie Bolen has fifteen years of experience teaching ESL/EFL to students in South Korea and Canada. With her
